Principal News

Welcome to Week 7! The term is moving along quickly with the calendar full of great activities across our school. This week, students in Years 3 and 5 have been completing NAPLAN assessments. I have been particularly impressed with the settled and focused approach that our students have adopted as they take on these tests. It is important to remember that these assessments are a snapshot of student understanding at a point in time. Teachers use this alongside their assessments and observations to support students in their learning.

A reminder to families that as the school weather cools down, students will begin to need a jumper in the mornings. It is important that students wear a school jumper that is part of our school uniform. This helps promote school pride and is a safety consideration, particularly when students are on excursions. School jumpers, including second hand jumpers, are able to be sourced through our P&C uniform shop.

It has been confirmed that Rainbow Region Kids before and after school care will be operating from our school starting Monday March 25. The operating hours will be 7am – 9am and 3pm-

6pm each school day. This is a great option for families that require before and after school care. If you are interested, please see the flyer below.

MUSIC LESSONS AT SCHOOL

Did you know that Northern Rivers Conservatorium are able to provide your child with music lessons at school?

They currently have a teacher available to teach on a Tuesday at school in either guitar, bass or drums. To get this great program running there must be a minimum of 6 students enrolled.

For more information on pricing and enrolment head to www.nrcac.edu.au

Music in Schools

The Northern Rivers Conservatorium inspires a lifelong passion for music for all through quality education and performance.

Our Music in Schools program exists to provide students with access to quality music education with conservatorium tutors during school hours at their school.
